

# Teacher Prep Academy

Juniors and Seniors of Hale, Oscoda, Tawas, and Whittemore

## What is Teacher Prep Academy?

- This program provides hands-on classroom experiences to those interested in exploring a career in education.
- 2 hours a day are spent within Host Classrooms, and 1 hour a day is reserved for lessons on Google Classroom. Mrs. Frank travels to meet with Cadets at least twice a week.
- 95% of this program takes place on school campuses - NOT at IRESA.

## Host Classroom Experiences:

Cadets are placed in one Host Classroom (Pre-school - 8th Gr. ) each Marking Period - for a total of four experiences. While there, Cadets work one-on-one and in small groups with students, create and run learning games/centers, design bulletin boards and door decor, read with students, practice math facts, assist with testing and data collection, help with virtual learners, and even attend class field trips.

## Free Credentials & College Credits!

- This program has an Articulation Agreement with Delta College ensuring 6 credits! Statewide Articulation Agreements with Saginaw Valley State University, Oakland University, Ferris State University, and Central Michigan University grant 3 credits. (Basic Ed100 & observation hours!)
- CDA & MiSayd Credentials can be earned in the 2nd year of this program.

## Professional Development & Field Trips:

- On tours to Delta & SVSU, Cadets meet College of Education representatives. We also attend several college visits virtually.
- Monthly P.D. is provided for CPR/First Aid/AED, Interview Strategies, Data Collection and Curriculum, Multiple Intelligences, OT/PT, and IEPs 101.
